Approval: Based upon the information supplied by the applicant(s), the staff have determined that the applicant(s) meets the requirements for receiving a Service Drop. This Service Drop authorizes an individual service drop to your structure only. You may need a separate roadside easement for the actual transmission line extension to your lot. The Utility Company may need a separate LUPC Utility Line Permit. This Service Drop does not authorize the construction of any new structures or the installation or alteration of any plumbing, water supply, or sewage disposal systems on the property.
